Meet Debi Adams— Debi will be teaching at Scraps of Love using some of the dies she designed on Friday, April 28th. Debi has been crafting, creating and doing art in one form or another for as far as she can remember. She was born and raised in Southern California and the mother of four grown daughters, Debi is an in-house designer at Spellbinders. She considers herself an “eclectic artist”, dabbling in mixed-media, party décor, paper crafting, painting, calligraphy, sewing, floral arranging, and everything in between. She has been featured in Somerset Studios and Where Women Cook magazines. Though her passion is art, she enjoys giving away what she makes. Her free time is spent “junkin”, traveling and seeing her girls.
